In view of several complaints being received from Indian medical students in Uzbekistan against their Indian Education Consultants (ECs), we reiterate that all Indian ECs working with Indian students should identify themselves with the Embassy and submit details on the number of students being handled by them, the universities that are availing their services, details of their PAN card, GSTIN, TAN, address in Uzbekistan & India along with contact details and fee charged from each student. The aforesaid details are to be submitted to this Embassy by April 5, 2026.
